

## CITY RECYCLING RATE 24%

According to a report from Right-Away Disposal, there were over 215 tons of garbage and recycling collected within the City of Globe during November 2011. Of that, over 51 tons of recyclable material was diverted from the landfill. This accounts for 24% of the total material collected. Current rates for the landfill are \$39.41/ton for kitchen garbage, \$47.03/ton for mixed garbage (cardboard, paper, etc.), and just over \$34 for green waste (grass cuttings, leaves, etc.) this equates to a savings of more than \$2,000 in landfill costs.
